SAVANNAR, Geo. June 25th, 1852.

I have used the Mexican Mustang Liminent for some time in my stable, upon my horses, in cases of Sprains, Bruises, Galls, Strains and Sores of different kinds, incident to a large number of horses. I used it upon a horse which had been saddle-galled for nearly a year. I had tried many remedies and one in particular that I had been in the habit of using for years, and had generally praved successful. Nothing appeared to give it my relief until I tried the Mustang Liniment, which cured it in a very short lime I consider it an invaluable remedy, and would not be without it.
